EDMOND G. BLAIR 1888 - 1969

Edmond George Blair was born Dec. 3, 1888, in Burlington, Vt., son of the late Jean Baptiste and Alphonsine Dionne Blair (Du Calais-Blais). His family were early settlers in Canada, coming to Quebec from France in the 17th century. He graduated from St. Joseph Academy and the Old Edmunds High School in Burlington and worked for the Draper Company in Hopedale, Mass.

Ed and Mary E. Folsom Blair were married in 1918 and settled in West Epping, Mrs. Blair's family home since 1654. He ran a printing business and insurance agency in Epping for 50 years.

He was Epping's representative to the State Legislature from 1953-1958. He was a Selectman for eighteen years, a term of service duplicated only once in the last century. As Selectman from 1929-1940 and again from 1953-1958, he carried out his responsibilities with scrupulous integrity and excellent judgement. During the troubled times of the Great Depression, "The needy and the homeless" found their needs supplied with tact, fairness, and unfailing kindness. No one will ever know how many of the "needs" were supplied from Ed's own purse.

Gracious host, loyal friend, devoted husband, gentle man, Edmond died August 19, 1969. The Town of Epping is poorer by his loss. . . and richer by 51 years of his dedication to the interests of Epping.

PAUL BLODGETT EVANS

Paul Blodgett Evans was born in Londonderry, N. H. on March 13, 1900, the oldest son of six children of Arthur L. Evans and Anna M. Wing. He was the sixth generation to live on the family farm.

He married Marion S. Gilson of Windham in 1921. He was the father of seven sons, Paul G., Arthur R., Robert W., Ronald H., Wayne T., Howard A., and Lawrence S.

He had nineteen grandchildren and three great grandchildren.

He attended Old No. 8 District School in Londonderry until the family home was destroyed by fire. Then he went to Exeter to live with his grandmother to finish the school year.

He was graduated from Pinkerton Academy and the University of New Hampshire, where he was president of his class. He was a member of the Phi Mu Delta Fraternity at U.N.H. and played football at both schools.

He attended Northeastern University School of Civil Engineering. He helped survey the Worcester, Nashua and Portland Railroad which went through Epping where Route 125 now is located.

He was graduated from two courses in Real Estate and Appraisal at U. N. H.

He was a veteran of World War I; member of the Spicket Lodge, No. 85 F&A.M. of Salem, N. H. and the Epping Community Church.

He worked for several feed companies for 30 years selling feed. His last position being credit and sales representative in the N. E. States and part of N. Y. State for Moon & Co., Binghamton, N. Y.

In 1955, he purchased a poultry farm in Epping and was associated in that with a son.

After his retirement in 1962, he became interested in town affairs, serving one full term as Selectman. He was re-elected to a second term as Selectman without opposition. He served as Chairman of the Board, except for his first year, until his death on August 2, 1969.

Allen; Overseer of Poor by write-in, Wallace deRochemont.

The adjourned Town Meeting opened March 18, 1969 at 7:45 P. M., Moderator Claude Goodrich presiding. The warrant was read.

Article 2: Under this article the Moderator read the budget. The increases were made as follows: A motion was made to increase summer maintenance \$3,000.00. This motion passed. A motion was made to increase winter maintenance \$7,000.00. This motion passed. A motion was made to increase Park & Playground \$350.00. This motion passed.

Article 3: Included in the budget.

Article 4: Included in the budget.

Article 5: A motion was made to accept this article and passed in the affirmative.

Article 6: A motion was made to adopt this article and passed.

Article 7: A motion was made to postpone this article indefinitely and passed.

Article 8: A motion was made to adopt this article and passed.

Article 9: A motion was made to adopt this article as read. A discussion period followed and it was the opinion of the Moderator that the authorization that would be given to the Planning Board was not clearly understood. The Moderator then proceeded to read Chapter 36 R. S. A. as amended and pertaining to

this article and explained it to the public. The motion was then put to a vote and passed.

Article 10: A motion was made to table this article indefinitely and passed.

Article 11: A motion was made to adopt this article as read and passed.

SELECTMEN'S REPORT

The year was saddened by the loss of our Chairman, Paul B. Evans, serving his fifth year as Selectman, his fourth year as Chairman of the Board. Through his efforts, Epping is obtaining maximum assistance through Federal Grants towards construction of our Sewage Disposal System. Epping made much progress during his terms in office. He laid the ground work for many of the accomplishments of the past year. This is the first time a Chairman of the Board in this Town has died in office in many, many years.

We wish to call attention to the surplus for the past year. This is due in part to collection in full from the Bonding Companies of \$34,212.92, and to other increases in revenue. One of these is a substantial increase in interest collected on taxes, to \$5,639.35. Your Tax Collector has worked diligently and long to achieve splendid results.

All departments made earnest efforts to live within their budget figures and achieved their goals.

The Mary E. Blair Memorial Building, (West Epping School) was sold for the modest price of \$1,000.00 to the Knights of Pythias, Lamprey Lodge #40. The building has been badly vandalized, and fallen into a sorry state of disrepair. The new owners plan to restore the building to good condition, and assured us it will be used in a manner which will reflect credit on its name. It was also agreed that when restored, it would be made available to responsible local organizations at reasonable cost.

We had hoped to let the General Contract for the Sewage Disposal System before Town Meeting, as this is written, it appears this will be impossible, due to necessary revisions of the plans by inclusion of stand-by generators for pumping station, and other minor changes required by Federal authorities. There still seems good chance that the actual work can commence in the Spring of 1970.

Adequate insurance coverage for our Policemen and Firemen was purchased and is now in effect. This provides compensation over and above that given by Workmens Comp. in case of either injury or loss of life.

There are several articles in the 1970 Warrant which we believe will add to the forward progress of our Town if adopted.

POLICE REPORT

As your Chief of Police, I respectfully submit my report for the Epping Police Department for the year 1969.

I have served the people of Epping as a Police Officer since 1938 and have maintained the capacity of Chief of Police since 1948. I take this opportunity to thank all of you who supported me during the election periods and while performing my law enforcement duties throughout the years.

After careful deliberation, I have decided not to run for re-election this year. My L. P. Gas and appliance business has expanded to an extent that requires my full time participation.

With due respect, I commend all of my officers who contributed to the successfulness of our department. We have always maintained the highest degree of efficiency and accomplishment which is second to no other Police Department.

Many times the accomplishments of my department weren't obvious, however, I can assure you that a high level of effectiveness has always prevailed throughout my years in office. My officers have proved to be an outstanding law enforcement team and I am honored to claim them as my Police Department.

A contribution that was made in my years in office which saved the Epping Taxpayers a substantial sum of money should be cited. With the total and unselfish efforts of my officers, I was able to purchase all of the F-M two-way radios through funds obtained by sponsoring various social activities for the public. Employing the same funds, I was able to support the cost of maintenance associated with the radios, in addition to investing in a Coke machine and supplying uniform shirts, ties, caps, badges, patches, and clubs. I also draw attention to the fact that while the funds were being earned, my officers and I worked on our own time.

The following is a list of typical court cases during the past year:

Narcotics	10
Leaving scene	5
DWI	7
Drunk	10
Speeding	12
Driving without License	7
Disobeying Police Officer	4
Possession Alcoholic Beverage	6

Indecent Exposure	1
Parking on Street after hours	5
Passing over solid line	5
Malicious Damage	1
Driving without registration	1
Failure to stop for traffic signs	3
Failure to keep right	1
Failing to yield	2
Following too close	1

A series of police education programs were also attended during the year.

In conclusion I thank the people of Epping for the cooperation and support.

EDWARD T. LAVOIE
Chief of Police

I would like to thank the members of the Red Network and the Selectmen for their support and assistance this past year. Also the Fire Belles and citizens who supported us this past year.

The Epping Volunteer Fire Department consists of 40 members. At this time, I would like to thank these men who give freely of their time and assistance so unselfishly to the Fire Department and Town of Epping.

Respectfully submitted,

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

I wish to thank the people of Epping for their observance of the restrictions on the kindling of open fires. Your compliance with the rules of obtaining permits has kept the danger of brush fires in Epping to a bare minimum. For the benefit of all residents, the following information is being published by request of the State of New Hampshire, Department of Resources and Economic Development.

Respectfully,

ROBERT GALLEY
Warden

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follows:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.

2. For kindling a fire by any means willfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.

4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

LIBRARY REPORT

The Harvey-Mitchell Memorial Library extends a sincere welcome to all new residents of Epping and an invitation to visit any one or all of the five days a week it is open. It is open every afternoon except Sunday and Tuesday from 2:30 to 5 p.m., Monday and Wednesday evenings from 7 to 8:30 p.m. and Friday morning from 9 to 11 a.m. The telephone number is 679-5944.

Registration of pre-schoolers and students through eighth grade require a parent's or guardian's signature. We have over a hundred records, pamphlets and thirty different magazines as well as books for loans of two weeks.

There is a film program for pre-schoolers and grade school students every Friday afternoon at 3 p.m. for about an hour. Miss Carol Harvey has been conducting a homework assistance class Monday through Thursday from 7 to 8 p.m. in the Ladd Room since October.

Throughout the year, local clubs, special work groups, district and state library departments have met and worked in the library. The Friends of the Library group have performed many services and sponsored community programs.

Our new assistant, "Beth" Ingraham is not really new to the library after working on her own here for a few years. Her art work graces our bulletin board with a change for each month. She knows all the children's and youth books practically by heart and will be glad to help in book selection. Our new custodian, Paul Langdon, keeps the floors, stairs and lawn looking neat and clean. Your library trustees have again worked hard to keep the building and grounds in excellent condition.

I am pleased to file the following statistics for the year 1969.

Circulation -	9,778	(includes magazines & records)
New registrations -	107	(59 children, 48 adults)
New books -	144	children (includes 9 gifts)
	144	adult fiction (includes 70 gifts)
	<u>132</u>	adult non-fiction (includes 37 gifts)

REPORT OF THE HEALTH OFFICER

With minor exceptions, many of the problems involving sanitation that existed in previous years involving mobile homes or trailers have been virtually eliminated with the trailer ordinance.

There have been a number of cases this past year of individuals burning noxious materials, sometimes in rubbish barrels, that have polluted the air for miles around, especially on damp days. This is against the law. All noxious, flammable substances should be deposited at the town dump where burning is regulated.

Very few cases of contagious diseases, such as Hepatitis, Measles, Scarlet Fever, etc., have been reported to the Health Department this past year. All contagious diseases should be reported to the health officer, or in the case of school children, the school nurse.

For the coming year, it is my fervent wish and desire as health officer to see, in the absence of any effective town or state regulations, the town of Epping take the initiative in some constructive action to control the throwing of beer bottles and cans along side of our country roads before our beautiful countryside is just one big dump. On inspection you will hardly find one square foot of space anywhere along our roads where beer bottles and cans have not been deposited or thrown.

It is getting much too late to be completely ignored and something must be done.

Respectfully submitted,

DR. WILFRED J. LaBARRE
Health Officer

PLANNING BOARD REPORT

To help Epping plan its orderly growth and a sound future, your Planning Board during 1969 undertook three major assignments:

1. School study. Results of a year's research into potential school needs, presented at a public meeting in March, indicated school population is growing at a rate which will require additional classrooms by 1971. (Copies of the report are still available.) This study was ordered by the 1968 Town meeting.

2. Subdivision regulations. As voted by the 1969 Town meeting, an ordinance was drawn providing safeguards to the Town, to adjoining landowners, and to buyers of real estate when land is subdivided. After six months' study, and two public hearings, the ordinance is now in effect. (Copies are available from any Board member or Selectman.)

3. Planning Subcommittees. Health ordinances, fire protection, rubbish disposal and the Town's sewer and water systems are being studied by four groups of volunteers, to expand the manpower available for priority planning projects. In addition, another volunteer subcommittee will continue working on the school study to keep it up to date.

There is much additional work and study to be done, but the Board feels it cannot go any faster. Hasty planning is usually bad planning. Major jobs during 1970 will include:

A. Updating the building code, which was last reviewed in 1954.

B. Starting a master plan of the town, based on the plot-by-plot map already drawn. Created for planning purposes only, a master plan gathers information on such subjects as future roads, potential parks or recreation areas, possible industrial sites, and similar uses, so it will be available to the town when these situations actually arise.

C. Studying details of the sewer system, soon to be constructed, as a service to homeowners and businesses which will connect to it.

The Board welcomes information and expressions of opinion on these and any other subjects affecting the town's future. All its meetings - held alternate Thursdays at Town Hall - are open to the public.

The Board wishes to thank the subcommittee members and the many others who have assisted in its work. Planning for the

future growth of Epping is far too big a job for the Board alone. In fact, our first goal is to get all the citizens involved in planning the future of their town.

BUILDING INSPECTOR'S REPORT

During the first year of issuing building permits under the new Building Ordinance passed in October 1968, a total of fifteen permits were issued.

New home construction accounted for 20 percent of all permits issued and mobile homes, excluding those in parks, accounted for approximately 46 percent. The remaining applications were for additions, garages and diners.

Of the fifteen permits issued, there were thirteen actual starts. Only three applications were turned down during the year and all three failed to meet either the lot requirement size or the minimum number of feet necessary in the floor plan.

The following is a list of the type of construction and the number of each:

Mobile Homes	7
Homes	3
Diners	2
Additions	2

REPORT OF EXETER AREA VISITING NURSE ASSOCIATION

In the past year, Exeter Area Visiting Nurse Association has extended and expanded its many areas and its program of service for patients care in the home. The Agency now includes ten towns and has reached size for efficient service.

Each town is represented on the Board of the Agency by one member appointed by the Selectmen of the respective towns.

Meetings of the Board and Staff are held on the first Monday of each month, at the Agency Office at 10 Front Street, Exeter.

In addition to the regular monthly meetings, a Medical Advisory Committee meet each month to recommend and review policies which involve medical and nursing consideration. The Committee includes:

Mrs. Vera Goodrich, R. N., Chairman

Mrs. Young, R. N.

Mrs. Clark

Mrs. Castle, Senior Nurse

Dr. Charles DeLucci and

Miss Sandra Higgins, R. N., Director of Nurses at
Exeter Hospital

Six hundred visits were made in the town of Epping during 1969. The Agency is staffed by four registered nurses working full time - Mrs. Edward Castle, Senior Nurse; Mrs. Pauline Conklin, Mrs. Dorothy Zimmerman, Mrs. James Colcord and two part-time, Mrs. Robert Chamberlain and Mrs. Charles DeStefano. Mrs. Kenneth Haley continues as physical therapist. Mrs. Thomas Cronshaw serves as secretary-bookkeeper.

Nurses work under orders from each patient's own physician. Nurse's care includes such services as bed baths, changes of dressing, injections, colostomy care, help with new-born babies. Physical Therapy includes exercising, massage, application of hot packs, gait walking.

Calls for assistance may be placed from 8 a.m. to 4:30 p.m. on Monday through Friday by dialing 772-2981.

REPORT OF CONSERVATION COMMITTEE

The Conservation Committee conducted a survey during the year to help us determine what the people of Epping consider to be scenic spots that should be preserved and also areas that need attention. As a result, we find everyone is concerned about the Lamprey River - starting with the Bunker Pond and Dam in West Epping and then the river and banks through Epping.

The Scout Field could be a nice picnic area with a nature trail. The trash along the roads bothers everyone. We hope you will support us on voting for our article to have all tonic, beer and ales sold in Epping in returnable containers.

Respectfully submitted,

SURPLUS FOODS

Surplus Foods is a Federal project of the U. S. Dept. of Agriculture to supplement the food of the low income families.

The town pays for the packaging and delivery, about 7% of the wholesale price of the food.

We use the former Boy Scout room in the basement of the Town Hall. There is a refrigerator in which to store the butter, lard, and cheese.

The food comes from storehouses by freight to Concord, by truck to the County Farm in Brentwood, then by truck to the town. The people come to the Town Hall for it once a month.

The figures on the chart vary because people move in and out of town, recover from an illness and return to work.

HUNT'S ACCOUNTING SERVICE

5 MORNINGSIDE DRIVE
HAMPTON, NEW HAMPSHIRE

February 6, 1970

Board of Selectmen
Epping, New Hampshire

Gentlemen:

Submitted herewith is the audit report for the Town of Epping, N. H., for the fiscal year ended December 31, 1969.

SCOPE OF AUDIT

All departments of the Town were audited, including the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library Treasurer, Water Department, Trustees of Trust Funds, Municipal Court, and Sewer Projects.

FINANCIAL STATEMENTS

Exhibit A-1 is a Balance Sheet showing Assets and Liabilities. The Liabilities exceed the Assets creating a Net Debt of \$293,055.70. Exhibit A-2 is a Statement of Appropriations, Expenditures, Unexpended Balances and Overdrafts. During the year ended, December 31, 1969, a net unexpended balance of appropriations was \$14,511.94, a fine accomplishment by the Town Officials. Exhibit A-3 is a Statement of Revenues. In 1969, revenues exceeded estimated revenues by \$56,891.94. The net budget surplus for the fiscal year ended December 31, 1969, was \$71,403.88.

The above surplus for the year was made possible by the fine management of the Selectmen. Unexpended balances of appropriations was \$14,511.94, revenue surplus was \$22,679.02, and the bond insurance recovery on taxes was \$34,212.92, a total of \$71,403.88. In these days of higher taxes and inflationary prices, this accomplishment must be a rewarding feeling for the Town Officials.

DEPARTMENTS

Exhibits B-1 through I shows each official's records. All monies were accounted for by checking receipts, expenditures and reconciling balances in depository banks.

GENERAL COMMENTS

The Town Officials have made great progress. Many suggestions have been submitted and adopted by the Town.

Many taxes have been abated and there are plenty more to abate. In your auditor's opinion, nothing should be carried beyond three years. Taxes sold to the Town should be deeded two years and a day after sale. Many of these accounts are old.

My congratulations to all Town Officials for the excellent way they have carried out the business of the Town.

Respectfully submitted,

Herbert E. Hunt

CERTIFICATE OF AUDIT

This is to certify that the accounts and records of the Town of Epping, New Hampshire have been audited for the fiscal year ended December 31, 1969.

All monies were accounted for by checking cancelled checks, verifying receipts and reconciling with depository banks.

Respectfully submitted,

Herbert E. Hunt

SUMMARY OF EPPING SCHOOL DISTRICT MEETING

MARCH 15, 1969

Moderator Claude A. Goodrich called the meeting to order at 8:00 p.m.

ARTICLE I. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agents of the district. The Moderator declared that this Article would be taken up in Article 4.

ARTICLE II. To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto. Mr. Edward Burtt gave a report on the school study made by the Planning Board. This was a comprehensive study of the past, present, and future school endeavors. It showed a commendable effort on the part of those involved in the study and was felt by most Epping citizens to be a job well done.

ARTICLE III. To choose agents and committees in relation to any subject embraced in this warrant. It was moved and seconded to table Article 3. Motion carried.

ARTICLE IV. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district. It was moved that the school district vote to raise and appropriate the sum of \$409,617.00 for this purpose and the vote carried.

ARTICLE V. To see if the district will authorize the school board to employ a physical education teacher and to see what sum of money the district will appropriate for his annual salary. It was voted to hire a physical education instructor, the amount of \$6,500 to be included in the total budget for this purpose.

ARTICLE VI. To see if the school district will authorize the school board to purchase certain physical education equipment and to see what sum of money the district will appropriate for this purpose. This article was tabled.

ARTICLE VII. To see if the district will appropriate \$2,200 for a survey of property lines, topography and soil types of the entire school acreage at the Carrie A. Odiorne Junior High School. It was moved and seconded to appropriate \$2,200 for this purpose and the motion carried.

ARTICLE VIII. To see if the district will authorize the school board to sell at public auction old style equipment now stored in the basement of the Town Hall and any other supplies and equipment no longer useable to the school district. Voted in the affirmative.

SUPERINTENDENT'S REPORT

TO THE CITIZENS OF EPPING

The Epping School system is once again enjoying a successful year. Congratulations are in order to the administrators, the teachers, and the members of the school board, but most of all, to the citizens of Epping who are furnishing the necessary funds and facilities to do the job required and that is, to provide a good basic up-to-date educational program for all Epping youth.

With the addition of full-time guidance and library services to the senior high school program this year, and with a slight change in interpretation of state department regulations in regard to school facilities, Epping finally achieved a long sought-after academic goal. On August 31, 1969 Commissioner of Education, Newell J. Paire, announced that Epping High School was now classified as a comprehensive high school.

It will be to the community's lasting credit that it was willing to make the necessary financial sacrifices once it finally decided to go it alone - a decision inspired by the recommendations of the Epping 1968-69 Educational Planning Board.

In addition to this fine academic program, Epping offers a wide variety of extra- and co-curricular activities. The huge and enthusiastic pupil participation in these activities is noteworthy and indicative of their successes. Championship performances have become a common occurrence in Epping High School.

Assistant Superintendent of Schools Frank S. Games reports on the following:

"The pre-school testing program initiated to screen the potential readiness of the pupils for grade one has proven valuable. In Epping, about nine children whose sixth birthday fell between September 30th and December 31st were refused admission to the first grade last fall. The principal and the first grade teachers were given the authority to accept or reject pupils based on the readiness test. Next year it is recommended that all potential first grade pupils be tested in May and if the results indicate the pupil is a borderline case, another test be administered in August.

Through a Title III grant a pre-school enrichment program was established to work in the homes of our Union. An office was set up in Epping and a professional staff of seven was recruited during the fall of 1969. An executive board and an advisory committee were formed to help in the planning of each school district.

Contacts have been made with the principals and first grade teachers to study the developmental needs of the present first grade pupils.

The criteria for the elementary school is receiving study in the districts and a philosophy with objectives has been requested from each school during the current year. The crowded conditions in some schools are a real concern in implementing the suggested curriculum changes. All the district school boards will be involved in making decisions within the next two years. "

Respectfully submitted,

FRANCIS C. WILSON
Superintendent of Schools

REPORT OF THE SCHOOL NURSE

TO THE SUPERINTENDENT OF SCHOOLS, SCHOOL BOARD MEMBERS, AND CITIZENS OF EPPING:

This has been a busy year.

In May we held our first Pre-School Readiness Clinic with nearly 100% participation. This Readiness Clinic included registration, guidance information, medical history, speech evaluation, heights and weights, vision screening, registration for Head Start, and three doctors did Health Evaluations and Readiness Testing.

Increased health services included health teaching at the junior and senior high level, thereby assisting these students in acquiring health knowledge in developing attitudes conducive to healthful living and in meeting their needs resulting from disease, accidents, congenital defects, and psycho-social maladjustments.

School Health Services continue to refer children to Sight Conservation Program, Crippled Children's Clinics, Heart Clinics, Dental Program, Mental Health Clinic, and Child Guidance Clinics and wherever and whenever the need arises.

Pollution and drugs are two crucial issues facing us today. The problem is not health science, nor is it technology. The problem is Man.

Someone has said that "Good health is a crown on the well man's head that only the sick man can see." Perhaps it is because good health is so obvious that it is easily overlooked.

School Nurse Services provided as part of the school program for children is a direct constructive and effective approach to the building of a healthful and dynamic society.

One request is for better community education on the adult level, in all phases of physical and emotional health. In this way the family will be better prepared to instill in their children good health habits and practices.

School Health Services deeply appreciates and aid and cooperation given by administration, teachers, parents, and organizations during the year.

Respectfully submitted,

LORA L. LAVOIE, R. N.
School Nurse

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

November 13, 1969

The School Board
Epping School District
Epping, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Epping School District for the fiscal year ended June 30, 1969, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1968 and June 30, 1969, are presented in Exhibit A. As indicated therein, the Net Debt of the District decreased by \$33,319.67 during the fiscal year ended June 30, 1969.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1969, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), an unexpended balance of appropriations of \$2,503.41, plus a revenue surplus of \$5,059.53, resulted in a net budget surplus of \$7,562.94.

Summary Statement of Receipts and Expenditures: (Exhibit E-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1969, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1969, is included in Exhibit E-2.

Building Fund Account: (Exhibit F)

A statement showing the activity in the Building Fund Account during the fiscal year is presented in Exhibit F.

Student Activities Fund: (Exhibit G)

A statement of the Student Activities Fund for the fiscal year 1968-69, is contained in Exhibit G.

School Lunch Account: (Exhibit H)

A statement of the School Lunch Program Account is included in Exhibit H.

School Tax Account: (Exhibit I)

Exhibit I presents a statement of the School District Tax Account with the Town of Epping. As indicated therein, as of June 30, 1969, the School District had received the total of the 1968-69 School Tax in the amount of \$285,952.09, less an advance of \$12,600.00 received during the previous fiscal year on account of the 1968-69 School Tax.

Statement of Bonded Indebtedness: (Exhibit J)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1969, showing annual debt service requirements, is contained in Exhibit J.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by \$6,319.67, from \$1,124.77 to \$7,444.44, during the fiscal year ended June 30, 1969, as shown herewith:

Current Liabilities	<u>50,114.73</u>	<u>1,864.89</u>
Current Surplus	\$ 1,124.77	\$7,444.44

The factors which caused the increase in current surplus are indicated hereafter:

Increase in Current Surplus:

Net Budget Surplus	\$7,562.94
--------------------	------------

Decrease in Current Surplus:

Increase in Accounts Payable	118.50
Net Increase in Current Surplus	\$7,444.44

Checks totalling \$7,632.73 had been drawn payable to various vendors as of June 30, 1969, although services or goods had not been received. However, the treasurer was "holding" these checks pending receipt of such goods or services, in accordance with instructions of the School Board.

The practice of writing checks in advance of actual receipt of goods or services should be discontinued as it is not good business procedure.

Commitments chargeable to current budgetary appropriations, on account of undelivered goods or services, should be set up as accounts payable on the School District records at the end of the fiscal year.

As of June 30, 1969, the School District had an outstanding liability of \$118.50, representing the final payment due on an installment purchase agreement executed for the acquisition of new typewriters.

Inasmuch as this contract created long term indebtedness, the approval of the voters of the School District, in accordance with the provisions of R. S. A. 33:8 (Municipal Finance Act), should have been obtained prior to the endorsement of the said agreement by District officials.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Epping School District for their assistance during the course of the audit.

Yours very truly,

O. Maurice Oleson, Director

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Epping School District for the fiscal year ended June 30, 1969.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the School District as of June 30, 1969, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

O. Maurice Oleson

BERNARD A. MARCOTTE

Born in Brentwood, N. H. in 1916, son of Conrad Marcotte and Carrie Gardner, Bernard A. Marcotte, known by everyone as Bun, moved to Epping in 1929. He attended local schools, graduated from Epping High School and attended Rhode Island State College. His family included his wife, Marion and his two sons, John and Richard.

After working with his father in the Coal & Ice business, he entered the Army in 1941, serving five years in World War II. After his discharge, he was owner and manager of Marcotte's Hardware.

He took an eager interest in all outdoor sports especially hunting, fishing and golf.

His first Town office was with the Municipal Water Department in 1950. Later in 1952 he was elected Selectman and served until he resigned to accept appointment as Postmaster of the Epping Post Office in 1953, in which capacity he served until his death on August 4, 1969.
